JOE POHLAD

EXECUTIVE CHAIR

Joe Pohlad, who has served on the Pohlad Companies' Board of Directors since 2023, was named Executive Chair of the Minnesota Twins in November 2022. Joe provides day-to-day leadership, oversight and strategic guidance for the Twins' baseball and business operations.

During his first year as Executive Chair, Joe was instrumental in establishing, and now bringing to life, the organization's innovative new mission: To set the standard for a modern sports and entertainment brand that shapes a better tomorrow for all. At the league level, he is a member of Major League Baseball's Long-Range Planning Committee.

Currently in his 18th season with the Twins, Joe began his Pohlad Companies career with the club in 2007. He has held various positions within the organization, including in the areas of baseball operations, marketing and communications. As Executive Vice President, Brand Strategy & Growth from 2018-22, he had oversight of the club's brand marketing, content production, game day experience and innovation. Joe also spearheaded the creation of the Twins Accelerator program and led the development of the Twins' new marks and uniforms – which debuted to widespread acclaim in 2023. He was named to *Twin Cities Business*' list of "100 People to Know" in 2020 and 2024.

In 2015, Joe became CEO of Go Media, home to radio station Go 96.3. Under Joe's leadership, Go Media diversified its format and reach in the Twin Cities region. He led the transition of 96.3 from a classic rock and Twins Baseball format to modern alternative and, with the purchase of 95.3, launched a modern hip hop station in 2016.

Joe joined the Pohlad Foundation Board of Directors in 2017 and, along with his cousin Kiki, became the first grandchildren of Carl and Eloise to serve in this role. I.M.D.BALDELLI

Rocco grew up in Woonsocket, Rhode Island until he was about 12 years old, when his family moved to Cumberland (RI). Cumberland is the same hometown as filmmakers, the Farrelly brothers (Peter and Bobby), who created *Dumb and Dumber, Kingpin, There's Something About Mary, Me, Myself & Irene*, and many others.

The brothers, who are known for having celebrity athlete cameos — typically with New England area ties — in their movies (Cam Neely, Johnny Damon, Rogers Clemens, Tom Brady, etc), told Rocco that he would somehow feature in their 2005 film *Fever Pitch*.

In the movie, when Jimmy Fallon and Drew Barrymore's characters attend their first Boston Red Sox game, in the background, the PA announcer says, "Now batting, number five, Rocco Baldelli." In the scene, the Red Sox are playing on Opening Day against the Texas Rangers — a team that Rocco never played for in his career; in fact, he was playing for the Tampa Bay Devil Rays at that time.

Rudy is very close with former Tigers slugger Miguel Cabrera, who grew up about seven minutes from him in Maracay, Venezuela. In 2001, when Cabrera was being recruited by MLB teams as a 16-year-old, the Twins had Rudy — who was then managing High-A Fort Myers — travel to Venezuela mid-season to help get him signed. When Rudy walked into Cabrera's home there were dozens of MLB officials that got upset and thought they had no chance of signing him now with Rudy's presence. The Twins narrowly missed signing him as Cabrera selected the Florida Marlins.

BUCK TRUCK

Buck's celebratory arm pump celebration is a tribute to his father, Felton, a truck driver. When Byron was a child, he knew when his dad was coming home from a trip and would pump his arm up and down to get him to sound the horn as he arrived.

SEVEN'S TRAVELS

Jair's favorite number is 7 and says it's because he and his grandpa share the same birthday, 7/1. Was given number 85 when he was an invite to spring training in 2023 (then again in 2024) and would love to change to 17 or 77 when he gets to the major leagues, but both numbers are occupied by pitchers, Bailey Ober (17) and Ryan Jensen (77). Would wear number 7, but would have to make arrangements with Hall of Famer Joe Mauer.

FATHER OF MINE

Willi's father, Lilliano signed with the Detroit Tigers in 1987 but suffered an arm injury in 1988 forcing him to retire, landing a coaching job in the Tigers farm system for eight years. After that, Lilliano worked for the New York Mets for 15 years. During that time, Jose Reyes became Willi's favorite player and Reyes inspired Willi to become the player that he is today. Willi and Lilliano text after almost every game, never going more than two days without talking and nobody knows Willi's game better than his dad.

The scene in the movie where Sandra Bullock's character interrupts high school football practice to help Oher on his protection skills, Farmer is playing the quarterback in the scene. Farmer isn't the quarterback in the entire season, but is for all the actual football plays. "They needed someone who could throw," Farmer said. Kyle is the one in the yellow practice jersey, and you can hear him calling plays at the start of the scene.

OHTANI BEFORE IT WAS COOL

Recruited by Dallas Baptist as a first baseman and two-way player. In 59 games in 2018, he slashed .313/.434/.597 with 12 HR. During the draft process, some teams wanted him to hit and some wanted him to pitch. Some said, they may be willing to do both and eventually play into one or the other. He figured with his recent success at the plate, he would be drafted as a first baseman. Then when the Twins drafted him, his name was called, followed by 'left-handed pitcher' cementing his future.

2020: Did not pitch professionally due to cancelled minor league season (COVID-19 pandemic).

2019: Split season between Low-A Cedar Rapids and High-A Fort Myers, combining to go 1-3, 4.39 ERA (53.1 IP, 26 ER) with 26 walks and 57 strikeouts in 13 games (10 starts).

2018: Spent first professional season with Rookie-Elizabethton, appearing in 10 games (9 starts)...made professional debut on June 24 at Bristol, pitching 3.0 scoreless innings with one hit allowed, one walk and three strikeouts.

PROFESSIONAL: Selected by Twins in in the 15th round of 2018 First-Year Player Draft from Dallas Baptist University; signed by scout Trevor Brown.

MINNESOTA NICE

Pablo knows a lot and is fascinated by Minnesota/Midwestern culture, due, in part, to playing in the minors in Iowa with the Clinton LumberKings (he and his wife, Kaylee, met in Iowa and her family is from/still lives there). Pablo loves pizza from Casey's General Store (a convenience store/gas station chain with locations in 16 states that is headquartered in Ankeny, IA) and claims it's the best pizza in the country. He's also a big fan of HyVee's store-branded Chinese food. When asked if he knows what Menards is, Pablo immediately responded by singing the "save big money at Menards" jingle from the store's commercials (Menards is a home improvement store headquartered in Eau Claire, WI).

I ~~DON'T~~ KNOW MARGOT

The Twins traded for Margot on February 26, in the middle of a Twins-Yankees game in Tampa, Florida - the club's third spring training game of 2024. Manuel was at Dodgers camp in Glendale, Arizona. He was just acquired in a trade by Los Angeles over the winter and played just two spring training games in a Dodger uniform.

Rocco after the Twins acquired Margot: It's an add that can really help us. He's a great guy that can compliment you very well. He helps you in the middle of the field, he does a lot of things skill-set wise that help round your team out. He's a great character guy for our team off the field and in the clubhouse. I'm pretty familiar with him. He's a guy that we've been looking at for a while. This is a move that's going to help our team.

He can play center, he can go to a corner - play leftfield real well. I was really excited when I caught wind of the acquisition during the game.

Margot's also a guy that when you ask him to play regularly, he's going to be up for the task. He's still running real well. He's a really good athlete and it's hard to add quality athletes to your major league roster and he's still one of those guys right now. In 162 games, he's going to be asked to play against everybody.

2022: Appeared in 89 games (85 starts)...was on the injured list from May 15-24 (right hamstring strain) and June 21–Aug 20 (right patellar tendon strain)...hit .302/.365/.423 (55-for-182) with 11 doubles, three home runs and 27 RBI in 51 games (48 starts) before his knee injury and .240/.276/.318 (37-for-154) with seven doubles, one home run and 20 RBI in 38 games (37 starts) after...hit .347 (26-for-75) with three home runs and 24 RBI in the eighth inning (or later)...despite the missed time, his six go-ahead hits in the eighth inning (or later) tied Aaron Judge and Kyle Tucker for second-most in MLB behind Andrés Giménez (8), earning him a "Manny Mar-go-ahead" nickname...named the Rays recipient of the Heart and Hustle Award by the Major League Baseball Players Alumni Association...named AL Player of the Week for May 2-8 after batting .500/.539/1.042 (12-for-24) with two doubles, one triple, three home runs and 12 RBI in seven games (six starts)... started both games of the AL Wild Card Series at Cleveland in right field and went 1-for-8 with a single in the 15th inning of Game 2.

2021: Recorded a career-high 57 RBI in his sixth major league season and second with the Rays...appeared in 125 games and made starts at all three outfield positions: 70 in rightfield, 22 in center and 12 in left...his 13 Defensive Runs Saved tied Kevin Kiermaier for the Tampa Bay team lead and tied for eighth among major league outfielders... led major league outfielders with 16 Outs Above Avg...hit .143 (1-for-7) in three games (two starts) in the ALDS vs. Boston.

2020: Acquired from the Padres early in spring training…appeared in 47 games and made 37 starts…after a slow start, hit .321/.374/.411 (36-for-112) in 36 games from Aug 10 through season's end...tied for second in the AL with 12 stolen bases behind Adalberto Mondesi (24)...hit .276/.344/.552 (16-for-58) with five home runs and 11 RBI in 19 postseason games, including six hits in six World Series games...attempted to steal home in Game 5 of the World Series; thrown out by Clayton Kershaw.

2019: Appeared in 151 games and made 98 starts, all in center field...in third full season in the majors, established career highs in games, runs (59), walks (38) and stolen bases (20)...succeeded on 20 of 24 stolen base attempts, the sixth-best rate in the NL...on August 3 vs. Los Angeles-NL, hit first pinch-hit home run of his career, in the eighth inning off Walker Buehler.

2018: Led San Diego outfielders with 123 starts, 1,111 innings and .990 fielding percentage...tied for fourth in NL with career-high eight triples...on July 8 vs. Arizona, became first Padres outfielder to reach reach base safely six times in a game since Tony Gwynn on August 4, 1993.

YOU GOT ANY GUM?

Manuel enjoys chewing large chunks of bubble gum during games. In his rookie season with San Diego, a wad of gum fell out of his mouth in centerfield and caused an in-game delay. Phillies hitter Mark Leiter Jr. noticed it laying in the grass from the batters box and was distracted, calling for time out. Manuel picked it up while laughing in the field and held it in his right hand for the rest of the inning, not knowing what to do with it.

SAVE RULE

Credit a pitcher with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club; and
(2) He is not the winning pitcher; and
(3) He qualifies under one of the following conditions:
- **(a)** He enters the game with a lead of no more than three runs and pitches for at least one inning; or
- **(b)** He enters the game with the potential tying run either on base, at bat or on deck; or
- **(c)** He pitches effectively for at least three innings.

No more than one save may be credited in each game.

It is considered a 'blown save' when a pitcher who has entered a game in a save situation departs with the save situation no longer in effect because he has given up the lead. If the save situation still exists when he leaves the game, he is not charged with a save opportunity. And, if he has not given up the lead when he leaves the game, even though the save situation may no longer exist, he is not charged with a save opportunity.

MY SHOT

Jose is cousins with American songwriter and actor Lin-Manuel Miranda - the creator of the Broadway play *Hamilton*. The two connect every so often, particularly when the Twins visit New York. In September of 2022, when a Twins-Yankees game was postponed due to rain, Jose had dinner with Lin-Manuel and family members that night. Jose then homered the next day at Yankee Stadium. In 2023, when the Twins visited Yankee Stadium again in April, Lin-Manuel came to the visiting clubhouse to see Jose and meet his teammates and coaches, while taking pictures with several members of the traveling party.

FIRE ON THE MOUNTAIN

Joe's mound warm-up song is "Fire on the Mountain" by the Grateful Dead and collaborated with the band and clothing company HOMAGE on a t-shirt, which features several different iterations of Joe pitching with a skull head and his long hair, including one with a surfboard. Joe's passion for The Grateful Dead began when he was a kid and has been bolstered over the years by a family legend involving his father, Kurt, and the late great Jerry Garcia. Per Kurt, as he went over a hill in Corte Madera, CA, he had to swerve to avoid Garcia, who was standing in the middle of the road next to his brand-new BMW, which was heavily smoking because it had overheated.

THE RIDE

Joe was born in Marin County, California, also the birthplace of mountain biking. Joe's father, Kurt, who enjoys bike racing, was an influence on Joe's passion for the sport. In fact, Joe's love of bikes goes beyond mountain bikes as he rides an old used 1946 Schwinn to the ballpark. He says it's a good warm-up for his day and he lives close enough where he can usually get one song in before his arrival.

THE OL' COLLEGE TRY

Was a position player in college at Illinois State, a University in his hometown. He mostly played third base and corner outfield during his first few seasons. He wanted to get drafted but was hitting a little over .250 in his junior season. He knew he threw hard and figured his best bet was to transition to a pitcher if he wanted to play pro ball. He was drafted as a pitcher by the Dodgers in the sixth round of the 2014 Draft.

MEDIUM WELL

Did you know that at Mac's Diner, located on 7th Ave East in North St. Paul, soon plans on having a burger called the Louie Varland Burger, and some of the proceeds will go to Wounded Warrior Project, a charity that Louie is very passionate about.

MORNING ROUTINES

Louie's fiance, Maddie, is a dental student at the University of Minnesota and she's given him a lot of oral hygiene tips over the years. One of the best so far is that he now brushes his teeth before drinking coffee, because the fluoride in toothpaste coats your teeth and protects them from damage caused by coffee.

2020: Did not pitch due to the cancellation of the minor league season (COVID 19).

2019: Made his professional debut with Rookie-Elizabethton...made three appearances, one start...struck out 10 batters in 8.2 innings pitched... made professional debut with 2.0 scoreless innings of relief June 22 at Kingsport, walking two and striking out four.

EARNED RUNS RULE

The determination of earned-runs is as follows:

An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.

Until 1969, a reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DID YOU Know?

...the longest home run ever hit by a Twin was estimated at 520 feet. Harmon Killebrew crushed the three-run blast off California righty Lew Burdette, which landed in the sixth row of the upper deck at Metropolitan Stadium on June 3, 1967. The ball cracked the seat, and was later painted orange to commemorate the event. The seat is now located in the Mall of America — the former site of "Met" Stadium — bolted to a wall in the amusement park, marking the height and position where the ball would have landed in the upper deck.

DID YOU Know?

...that only once in their 62 seasons have the Twins won three games in a row by the same score. They beat Boston on September 3, 1987, 2-1, and followed with 2-1 victories over Milwaukee the next two days, all three of which took place in the Metrodome. The Twins have twice lost three games in a row by the same score. They were 2-1 games, July 21-23, 1967, at California, and 4-3 decisions, May 2-4, 1988, the first two coming at Milwaukee and the third at Baltimore.

WASHINGTON AND MINNESOTA FRANCHISE

1901-1960

The Minnesota Twins trace their roots as a major league franchise to the 1901 Washington Senators, but they go back even farther as a minor league team. The Western League began in 1894 with aspirations of becoming a major league, a status it achieved seven years later. Most of the Midwestern cities were left behind in the transition. For example, a St. Paul team owned by Charles Comiskey moved to Chicago, where it still exists as the White Sox. Several cities, including Minneapolis, had their teams disband and be replaced by ones in larger, eastern cities. However, the Kansas City team, owned and managed by Jimmy Manning, went to Washington and retained its minor-league connection. Manning was the first manager of the Senators (officially the Nationals for many years but more often referred to by fans and others as the Senators) and brought with him most of his players from Kansas City.

The major-league Senators established their destiny early, finishing no higher than sixth in an eight-team league in each of its first 11 seasons, four times finishing in the cellar. As early as 1904 came the quip, "Washington: First in War, First in Peace, Last in the American League."

Washington wallowed despite the addition in 1907 of Walter Johnson, considered by many to be the best pitcher in the history of baseball. Johnson struck out more than 3,500 batters in his career. Several pitchers later surpassed his strikeout record, but Johnson achieved his total mainly during the deadball era, a period that preceded the big swingers.

In 1912 Johnson was credited with 33 pitching victories and helped the Senators finish second, the first time the team placed higher than sixth. Leading the team was Clark Griffith, in his first year as Washington manager. Griffith had been an outstanding pitcher in the 1890s and was a leader getting the American League established, helping to convince more than 100 National League players to join the new league.

Griffith also began acquiring an ownership interest in the Senators, selling cattle from his Montana ranch and eventually mortgaging the ranch to raise the funds needed to purchase a controlling interest. He became the team's president in 1920.

Around this time Griffith took custody of two children of his wife's brother, James Robertson, who lived in Montreal and had health and money problems. Calvin and Thelma Robertson moved to Washington and, although never formally adopted, took the Griffith name. Clark Griffith ran the Senators as a family operation. Calvin and Thelma eventually worked for the team along with the siblings who had stayed with James Robertson. As a 12-year-old, Calvin Griffith was a bat boy for the Senators at the high point for the team in Washington.

The Senators were guided by a veteran and a relative youngster in 1924. Walter Johnson (shown below), in his 18th season, led the American League with 23 wins. The second baseman, 27-year-old Bucky Harris, was in his first year of managing Washington while acquiring the nickname, "Boy Wonder."

The Senators stopped a three-year pennant streak by the New York Yankees and went to the World Series, against the New York Giants, who had won their fourth straight National League pennant. Those pulling for the Senators included President Calvin Coolidge, who attended the World Series games in the capital. Many fans were excited that the 36-year-old Johnson finally had made it to the World Series. However, Johnson was the losing pitcher in the 12-inning opener as well as the fifth game, and it looked like he wouldn't get the World Series win that so many were hoping for.

The World Series went to a decisive seventh game, and though Johnson didn't start, he entered the game after the Senators scored two runs on Harris's bad-hop single to tie the score in the last of the eighth. The Big Train, as Johnson was known, again had a shot at a World Series win, one that would give his team the championship. The victory, for Johnson and the Senators, came in the last of the 12th when Earl McNeely doubled home Muddy Ruel.

Another celebration came in 1925, although this time it was for only a league championship. Johnson won two games in the World Series against Pittsburgh. However, in the seventh game, he couldn't hold a four-run lead in the final game and lost to the Pirates.

As Clark Griffith worked his family members into the Senators organization, some worked their way into the family. Shortstop Joe Cronin came to Washington in 1928 and began courting Mildred Robertson, who was Griffith's secretary and his niece. Cronin became player-manager in 1933 as the Senators won 99 games to win the pennant although they lost to the Giants in the World Series. Cronin and Robertson got married near the end of the 1934 season. While they were on their honeymoon, Cronin got the word that he had been traded to the Boston Red Sox. The deal included $250,000 from the Red Sox, an indication of how Griffith was always in need of money, to the point that he would unload a family member.

Bucky Harris returned as manager, continuing a pattern under Clark Griffith of Washington managers who had played for the team. In the 1940s, Ossie Bluege took the helm for five years. Bluege was an organization lifer, having played for the Senators for 18 years before becoming a coach and then manager. Bluege became farm director – he is credited with discovering Harmon Killebrew – and then the team's comptroller, a role he kept in the 1960s after Washington moved to Minnesota.

During World War II, the Senators were among teams who cut expenses with Griffith relying on an inexpensive and untapped pool of talent in Latin America. While the Senators scaled back on scouts, one man, Joe Cambria, stood out as Griffith's Caribbean connection, particularly in Cuba and especially after skin color no longer disqualified a player from organized baseball.

Clark Griffith died in 1955, and nephew Calvin took over as president. The Senators were as dismal as ever, and the usual low finish in the standings was commensurate with the small number of fans who attended games at Griffith Stadium.

The Senators had played on the same site since 1904, in a park that had been used by a Washington team in the National League in the 1890s. In March of 1911, the park's wooden stands burned. The grandstand was quickly rebuilt with steel and concrete and expanded over the years. It took the name Griffith Stadium in the 1920s and was notable for a quirky right-angle detour of the fence in center field to avoid several houses behind it as well as for its long distances to left field. Two players – Mickey Mantle and Josh Gibson – hit blasts long enough to clear the grandstand beyond the left-field fence, but it was a graveyard for right-handed hitters. For years, the distance down the line was more than 400 feet. The distance was reduced in the 1950s, eventually to 350 feet, making it more inviting for up-and-coming sluggers such as Bob Allison and Harmon Killebrew.

Even with an improving farm system and the arrival of young talent, Washington continued to lose more than 90 games a season. As season attendance stayed consistently below 500,000, and as other major-league teams were relocating, Calvin Griffith explored a new home for the Senators and finally, after the 1960 season, got permission to move to Minnesota.

The players the Senators developed and acquired – besides Allison and Killebrew, there were Camilo Pascual, Jim Kaat, and Earl Battey – became the All-Stars of the 1960s. Unfortunately for Washington, and fortunately for Minnesota, they did so as Twins rather than as Senators.

DID YOU Know?

...that in 1976, Twins pitcher Bill Campbell went 17-5 with a 3.00 ERA and 20 saves in 78 relief appearances. He became the second player in major league history to win and save at least 15 games in a season since saves became an official statistic in 1969 (Dodgers' Mike Marshall won 15 and saved 21 in 1974). Campbell's 17 victories tied the American League record for wins in relief. In 1977, Twins reliever Tom Johnson became the third player in major league history to win and save at least 15 games. He finished the season 16-7 with a 3.12 ERA and 15 saves in 71 relief appearances.

TARGET FIELD®

The Minnesota Twins moved into the award-winning Target Field prior to the 2010 season. The ballpark is a modern architectural expression, a dichotomy of Minnesotans' cosmopolitan lifestyle so rooted in nature and the outdoors. The stone and glass landmark, topped by a metal-clad, sculpted roof canopy, is chiseled into downtown Minneapolis on one of Major League Baseball's smallest sites. The ballpark's urban appeal is enhanced with immediate access to light rail and commuter rail, bridging the site to its urban surroundings and spurring the ongoing development and transformation of the western corner of downtown.

Now in its 15th season, Target Field has proved to be a premier sporting and entertainment venue, while earning widespread acclaim as one of the most unique and spectacular ballparks in all of Major League Baseball. Here is a list of features that help make the Twins' outdoor home unlike any other baseball experience in America.

MATERIALS

Native Minnesota limestone forms the mass of the ballpark's exterior façade. Glass and metal details punctuate the limestone surface, creating a sophisticated composition. In addition, whenever possible, the ballpark and surrounding areas incorporate native Minnesota flowers, trees and shrubs.

SEATING

Target Field features one of the closest seating bowls to the playing field in all of Major League Baseball. Seats in Target Field feature more leg room and are articulated towards the field of play. The ballpark also features more aisles with fewer seats per row.

CONCOURSE

The ballpark features a 360-degree open main concourse, giving fans an uninterrupted view of the playing field.

Approximate Capacity	38,544
Seating in Lower Level	18,640
Seating in Upper Level	14,703
Seating in Club Level	5,201
Concourse Width (main)	40 feet
Concourse Width (upper)	26-44 feet
Restrooms	401 (w) 266 (m)

CLIMATE/SHELTER

The Twins are committed to providing a comfortable experience for the fans — even when our weather is less than perfect. Fans are able to take advantage of heated concessions, restrooms, and restaurant and lounge areas found on each ballpark level, including the Terrace level. Target Field's roof canopy — one of the largest in baseball — provides added protection, while the Gate 34 area (revamped prior to 2019) provides shelter for fans entering the ballpark's main gate.

CELEBRATING MINNESOTA'S RICH BASEBALL HERITAGE

Target Field celebrates the heritage and history of our game across the Upper Midwest. The ballpark includes tributes to the great Twins teams and players from the past, other Minnesota baseball icons and baseball players, and teams and ballparks of all levels.

EVOLVING AND ADAPTING

Under the leadership of the Pohlad family, the Twins continually examine all aspects of the ballpark with an eye towards evolving, adapting and ultimately improving the Target Field experience for fans, players, staff and neighbors alike. Accordingly, Target Field has undergone several significant renovations, additions and enhancements since opening in 2010 (please see pages 476-480 for more information).

TARGET FIELD EVENTS

Target Field has become home to far more than just Twins baseball. From hockey to football, ranging from concerts to large-scale trade shows, and from corporate celebrations to intimate gatherings such as weddings, the Twins host more than 200 non-baseball events annually.

TARGET FIELD EXPERIENCE

A day or evening spent at Target Field, be it for championship-caliber Twins baseball, an electrifying concert, a world-class sporting event, or more, has become affectionately known throughout the region as the "Target Field Experience" - a moniker that captures the confluence of entertainment, joy and community spirit found only at the Twins' home ballpark.

Major Non-Twins Events, Continued...

"The Winter Classic couldn't look better at Target Field. What an awesome moment for the State of Hockey."

That sentiment, posted on social media by *St. Paul Pioneer Press* reporter Dane Mizutani and subsequently shared internationally by thousands, gave words to the emotions that nearly 40,000 people at Target Field — and another 1.4 million watching on television — felt before, during and after the 2022 Discover NHL Winter Classic® on New Year's Day.

Thanks to the drive of Minnesota Wild Owner & Governor Craig Leipold and President & Alternate Governor Matt Majka; the shared passion of Minnesota Twins Executive Chair Jim Pohlad and President & CEO Dave St. Peter; the vision of NHL executives; and the commitment and hard work of hundreds of people, Target Field was transformed into a hockey winter wonderland. The resulting New Year's Day setting was truly spectacular, shining a deserved spotlight on the Twin Cities and Minnesota.

Jamie Hersch, a Minnesota-born analyst for both the NHL and MLB Network (and a former Bally Sports North personality), shared with her viewers that "I always tell people that the Land of 10,000 Lakes also means the Land of 10,000 Frozen Pond Hockey Rinks." It was thus only fitting that the Winter Classic showcased Minnesota's love affair with hockey in its purest form, regardless of (or perhaps because of!) the elements.

2022 DISCOVER NHL WINTER CLASSIC®

DATE	Saturday, January 1, 2022
TEAMS	Minnesota Wild vs. St. Louis Blues
PUCK DROP	7:08 p.m. CT
TEMPERATURE @ PUCK DROP	-8° Fahrenheit*
ATTENDANCE	38,619 (sellout)
U.S. NATIONAL ANTHEM	Vocal Essence
CEREMONIAL PUCK DROP	Justin Morneau, Kent Hrbek, Joe Mauer, Tony Oliva
1ST INTERMISSION	Thomas Rhett
2ND INTERMISSION	2022 U.S. Olympic Women's Hockey Team
FINAL SCORE	Blues 6, Wild 4
TIME OF GAME	2:42

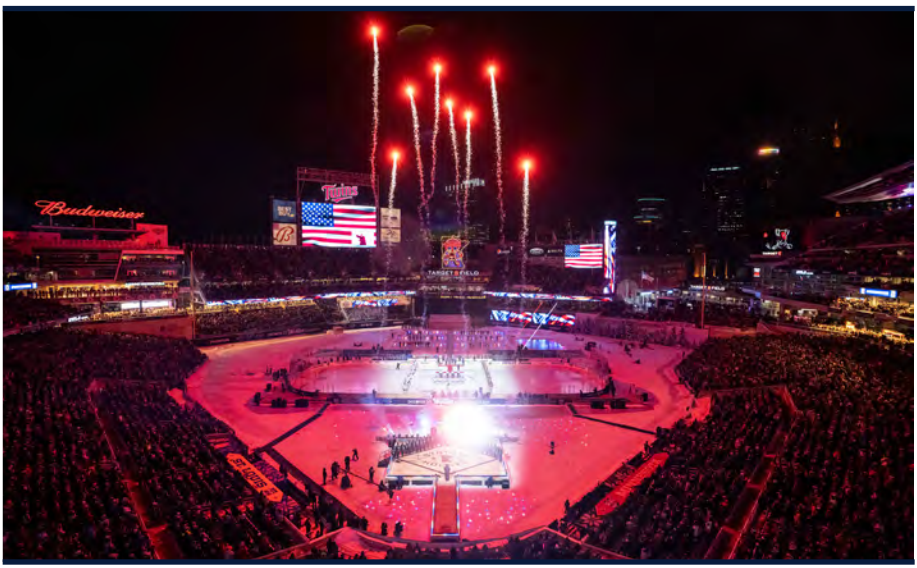
* marked 3rd-coldest event in North American pro sports history

The first-ever Winter Classic played at night also became the coldest outdoor game in NHL history, with a temperature of -8 degrees Fahrenheit at puck drop that made this Wild-St. Louis Blues contest the third-chilliest event in North American pro sports history (behind only a pair of infamous NFL games: the 1967 "Ice Bowl" in Green Bay that was -13 at kickoff, and the 1982 "Freezer Bowl" in Cincinnati that began with a -9 reading). Despite the cold and the hometown Wild's 6-4 loss, the sellout crowd of 38,619 stayed energetic throughout, enthralled by the spectacle of "Lake Winter Classic" at Target Field.

As Mizutani opined in the *Pioneer Press*, "With nearly 40,000 fans packed into the stands, the Minneapolis skyline twinkling in the background, and the temperature hovering around minus-10 degrees all night long, the Winter Classic was always going to be something for Minnesotans to remember." And it certainly was. From kids joining Minnesota luminaries to skate on the outfield "ponds" to a ceremonial puck drop featuring Twins legends Justin Morneau, Kent Hrbek, Joe Mauer and new Hall of Fame electee Tony Oliva; from Vocal Essence's powerful delivery of the national anthem to country music superstar Thomas Rhett's scintillating first intermission concert; from 7-year-old Adam Christopher Scott's stirring rendition of Herb Brooks' legendary "Miracle" speech during the second period to a near-stunning third-period rally by the Wild, the Winter Classic at Target Field was electric from start to finish.

At the end of this awe-inspiring night in the State of Hockey, the 2022 Discover NHL Winter Classic® had created memories to last a lifetime. Or, as *Star Tribune* reporter Sarah McLellan so aptly summarized:

"The Winter Classic became a postcard for Minnesota."



TARGET FIELD® Statues

Located near the entrances to the ballpark, these Twins statues are on display to greet fans whenever they visit Target Field.

THE "GREENEST" BALLPARK IN AMERICA

MAJOR LEAGUE BASEBALL GREEN GLOVE AWARD

The Twins won the 2021 Green Glove Award, given to the Major League Baseball club with the highest waste diversion rate during the previous year. In beating six other finalists, the Twins became the first club other than the San Francisco Giants or Seattle Mariners to win the award since its inception in 2008.

During the 2021 season, the Twins saved more than 99 percent of Target Field waste from landfills: 33.8 percent via composting, 34.4 percent via recycling and 31.1 percent via a waste-to-energy partnership with the Hennepin Energy Recovery Center (HERC).

TARGET FIELD WASTE DIVERSION

More than 99 percent of waste generated at Target Field is diverted from landfills — a process driven by the Twins, the club's partners and the in-ballpark efforts of fans.

CAPTURING AND REUSING RAINWATER

Through a custom-designed Rain Water Recycle System provided by Minneapolis-based Pentair, **the Twins have captured, purified and reused nearly 20 million total gallons of rainwater since Target Field opened**, drastically reducing the use of municipal water at the ballpark. The majority of recycled rainwater is used to wash down the seating bowl attached to the main concourse.

RECYCLING, COMPOSTING AND CONVERTING WASTE TO ENERGY

Through aggressive recycling and waste-to-energy programs, **the Twins have kept more than 16,000 tons of waste out of local landfills from 2011 to 2023**.

- **5,059** tons of trash have been sent to the Hennepin Energy Recovery Center (HERC)
- **5,446** tons of waste have been recycled from Target Field
- **5,647** tons of organic materials have been composted and diverted from landfills

DONATING UNUSED FOOD TO LOCAL CHARITIES

The Twins and concessionaire partner Delaware North Sportservice donate more than five tons of food to local charities each season. Through a partnership with Rock and Wrap it Up!, Inc., all prepared but untouched meals at Target Field are boxed up and donated to local charities. **To date, these efforts have kept more than 88 tons of waste out of local landfills.**

The Twins are proud to partner with Delaware North Sportservice, Eco-Products, Ecolab, Marsden Services, Pentair, Republic Services and Rock and Wrap it Up!, Inc. for sustainability efforts at Target Field.

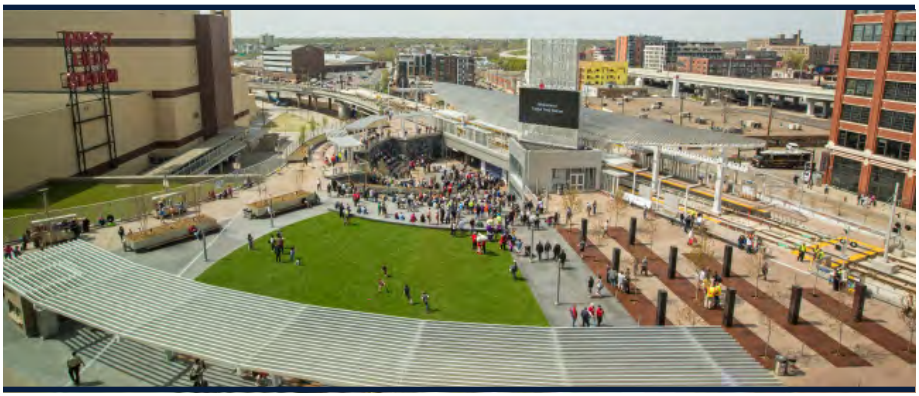
TARGET FIELD
Target Field Station

Opened in spring of 2014, Target Field Station connects people and places, as this multi-modal transportation hub at 5th St. N and 5th Ave. N in downtown Minneapolis offers public green spaces, connections to hundreds of trains daily via the METRO Blue and Green lines, the Northstar Commuter Rail, as well as access to the North Loop neighborhood. Target Field Station's more than 104,000 square feet of space include a public plaza for year-round special events and activities, green space, a 1,000-seat amphitheater, office space, retail shops and a 286-car underground parking garage. The Minnesota Twins, Target and Hennepin County offer programming and special events in the public space.



TARGET FIELD STATION PROVIDES a connection for commuters, baseball fans, downtown visitors and riders connecting to other Metro Transit services — including Blue and Green Line Light Rail service to St. Paul, the airport and Mall of America, the Northstar Commuter Rail Line, as well as bus service from the nearby 5th Street Transit Center. Future transit lines and plans to develop a transportation hub will create additional regional connections for Target Field commuters.

THE PURPOSE of Target Field Station is to provide high-quality transit service and efficient access to Minneapolis and surrounding communities. This hub encourages greater use of public transportation within the Twin Cities due to a centrally-located facility, and improved multi-modal and pedestrian connections.

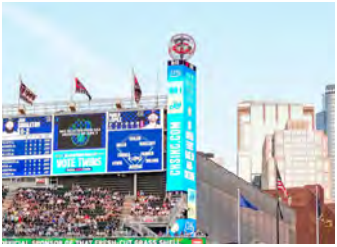
LOCATED on the north side of the park, Target Field Station is connected to the North Loop neighborhood. The name refers to the trolley line that once ran through the area, which is part of Minneapolis' Warehouse District. It connects the North Loop neighborhood with its roots.

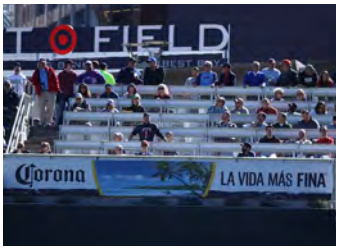
THE BLUE LINE runs from Target Field to the Mall of America. The Central Corridor — Green Line — runs down University Avenue to St. Paul's Union Depot.

TARGET FIELD Upgrades

The Twins are continually examining all aspects of their home ballpark with an eye towards evolving, adapting and ultimately improving the Target Field experience for fans, players, staff and neighbors alike. Following are the major renovations, additions and enhancements at Target Field since it opened in 2010.

RIGHT FIELD VIDEOBOARD AND TWINS TOWER (2010-11 OFFSEASON; FURTHER ENHANCEMENTS IN 2022-23 OFFSEASON) - Located next to each other behind the right field grand stand, the videoboard and Twins Tower were first introduced before the 2011 season, then further enhanced before the 2023 offseason as part of the Twins' "Scoreboard 2.0" project with Daktronics and Dimensional Innovations (please see page 486 for more information).



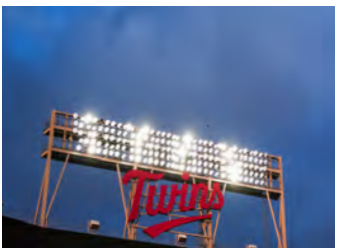


CORONA RIGHT FIELD PATIO (2012-13 OFFSEASON) - The Twins replaced regular seating in the right field corner and unveiled "porch seating" in an area designed to be an exciting destination for both group and single-game ticket purchasers, similar to the Budweiser Roof Deck in left field. Beginning on Opening Day 2022, this area became known as the Corona Right Field Patio.

GRAY DUCK DECK (2014-15 OFFSEASON; RENOVATED AGAIN 2019-20 OFFSEASON) - Originally built after the 2014 season to replace a team store and add more drink rails, the Twins and Gray Duck announced a new partnership in 2020 that brings the Minnesota liquor brand into Target Field with an open-air bar featuring signature drinks, celebrity bartender events and a great view of the game. Located adjacent to the left field foul pole, inside Gate 6.

DELTA SKY360° SUITE AND CUTWATER COCKTAIL BAR AT MINNIE & PAUL'S (2015-16 OFFSEASON; RENOVATED AGAIN 2023-24 OFFSEASON) - The Twins and Populous transformed the center field seating area into a multi-level fan gathering space. The upper level, featuring Cutwater Cocktail Bar at Minnie & Paul's, is open to all fans and includes Cutwater's premium cocktails, perfectly mixed, plus food from Minnesota's own Pizza Lucé and Red Cow. The lower tier houses the Delta SKY360° Suite, an all-inclusive club with access to approximately 120 Twins Season Ticket Holders.

LED LIGHTING (2016-17 OFFSEASON) - The field lighting was upgraded to LED technology, reducing fixture count from 746 to approximately 512 and cutting energy use by approximately 55% for the field lighting. Additionally, the LED technology provides an improved look for not only fans at the ballpark, but also for television viewers. LED fixtures were also installed to illuminate the underside of the canopy, allowing for flexibility to change colors as desired.



Upgrades, Continued...

TRULY ON DECK (2017-18 OFFSEASON) - Renovated in 2018, the space formerly known as the "Metropolitan Club" was improved to accommodate any guest, making it open to all fans with a game-day ticket. The expansive renovation includes operable glass windows, opening the space to the full Target Field experience. With indoor and outdoor seating, state-of-the-art video elements, Minnesota-based artist murals and major Twins award history on display, Truly On Deck is a great setting before, during or after the game.

"LIVING WALL" BATTER'S EYE (2018-19 OFFSEASON) - Replacing the previous black backdrop, the Target Field living wall system is the first of its kind for a Major League Baseball batter's eye and, at 2,280 square feet, is among the largest in the continental United States. The living wall incorporates approximately 5,700 sea green juniper plants, individually installed and secured in a tiered, multiple-tray system. Together, the junipers create a consistent, stationary background without variations in color or texture.

GATE 34 AREA

Beginning in 2018, accelerating in 2019 and continuing through 2020 and into 2021, the Twins added more than 9,300 square feet to the Gate 34 area, enhancing ingress and egress, while transforming Target Field's "front door" into a dynamic, vibrant space for fans to gather, eat and drink, play lawn games, relax and enjoy the shared experience of Twins Baseball.

EXPANDED CONCOURSE AND DRAFTS AT 34 - In 2018, the Twins expanded the main concourse at the intersection of Gates 29 and 34 by as much as 40 feet, creating enhanced ingress and egress for fans. This renovation also cut down on congestion and provided fans with new, premium drink rail standing-room locations. Also included in the concourse renovation was a tap wall known as DRAFTS at 34, which features more than 20 unique beers from across Twins Territory.

TWIN CITIES TAVERN, GATE 34 LAWN AND CREATOR'S CORNER PRESENTED BY U.S. BANK - Beginning in 2021, the main entrance to Target Field became home to a pair of new gathering spots before or during the game. The 10,000 Lakes Bar features food and beverage options, while the 5,600-square-foot Gate 34 Lawn is an inviting place for kids, families and all fans to kick back and relax on weather-resistant furniture; or, to enjoy a game of catch and a spirited round of favorite lawn games such as cornhole. On select game days, the lawn also hosts Bullseye's Backyard presented by Target with interactive acitivities for all ages. The Creator's Corner presented by U.S. Bank, featuring a trio of Twins Territory businesses owned by women or Black, Indigenous and People of Color, debuted with the 2023 Home Opener (please see page 481 for more information).

UNITEDHEALTHCARE SENSORY SUITE (2021-22 OFFSEASON) - The Twins are proud to invite neuroatypical guests of all ages and abilities to visit Target Field's state-of-the-art UnitedHealthcare Sensory Suite. Located on the UnitedHealthcare Suite Level, the former "Suite 1" was completely renovated before the 2022 season and, in partnership with leading health care experts, reimagined and equipped to provide a welcoming, compatible environment in which neuroatypical guests may find temporary respite, if needed, during games. The spacious Sensory Suite features unique, separated spaces specifically designed to meet different needs, including those of children and adults, while on-site staffers have been individually trained to deliver appropriate and diverse assistance. The UnitedHealthcare Sensory Suite's unique location is meant to ensure accessibility, while also helping to ease guests' transition back to their ticketed seats by offering a controlled, outdoor area overlooking the game. This outdoor option makes Target Field's sensory area among a select few professional sports venues nationally to have a view of the playing surface.

CUB AT TARGET FIELD (2021-22 OFFSEASON) - Located inside Gate 6 down the left field line, "CUB at Target Field" is an open-air, walk-through environment delivering both fresh hot food and pre-packaged grab-and-go items not available elsewhere in the ballpark, and — in a first for local sports venues — a walk-in cooler featuring an extensive variety of canned craft beers. Guests can enjoy this customizable, interactive shopping experience at their own pace, before quickly and efficiently purchasing their items through self-checkout stations.

GATE 29 MOSAIC (2021-22 OFFSEASON) - The Twins brought public art celebrating the diversity of our city, state and region — not just on game day, but 365 days a year — to the ballpark's "front porch" outside Gate 29. Designed by the renowned Minneapolis duo of mosaic artist Daniela Bianchini and muralist Kalaka, and showcasing the themes of "All Are Welcome at Target Field" and "Celebrating Our Community's Rich Diversity," this majestic glass mosaic is as varied and uniquely special as the people it represents. Comprised of thousands of individual glass pieces, the 66-foot-long mural brings many of Minnesota's cultures and communities together in a colorful expression of unity.

THE PLAYING SURFACE (2021-22 OFFSEASON) - After 12 years, 928 Major League Baseball games (including the 2014 All-Star Game), 11 years of the Minnesota State High School League championships, 40 college baseball games (including the 2013 and 2015 Big Ten Conference tournaments), 17 concerts, two college football games, one soccer friendly and the 2022 Discover NHL Winter Classic®, the playing surface at Target Field was replaced for the first time prior to the 2022 Twins season. This extensive project, which began February 24, 2022, and was completed in late-March, involved crews entirely comprised of Minnesotans. The new playing surface again features the same four-way blend of Kentucky Bluegrass, with the foundational sand coming from Elk River, Minnesota. The old (original) turf was broken down into reusable material.

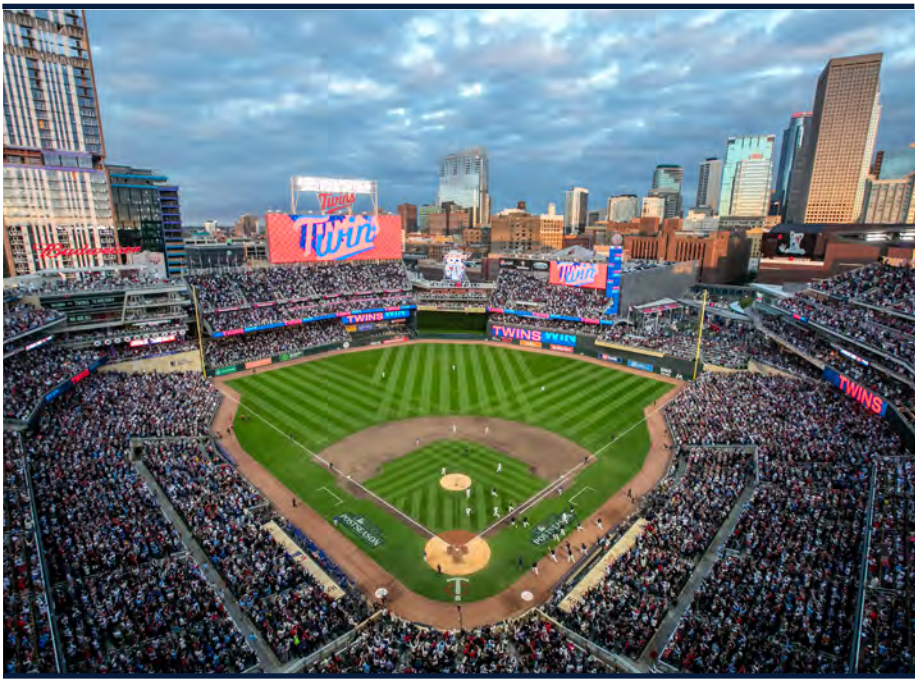
WOMEN IN BASEBALL MURAL (2022-23 OFFSEASON) - Unveiled prior to the 2023 Home Opener and located adjacent to Keeper's Heart Town Ball Tavern, the "Women in Baseball Mural" celebrates the past, present and future of women in baseball, with a specific historical focus on the Upper Midwest. Designed and created by women, for women, by the Twins Women's Initiative Network (T.W.I.N.) in collaboration with Kim Cameron and Kristie Kordosky of St. Louis Park, MN-based Art Partners, 15 women (or groups of women) are portrayed on the mural.

THE DOCK PRESENTED BY WINNEBAGO INDUSTRIES (2023-24 OFFSEASON) - In true Minnesota fashion (and in a setting unique across Major League Baseball), fans at Target Field will be able to combine the luxury of Winnebago Industries' boat brands with the excitement of Twins baseball. Beginning with the 2024 Home Opener, and located in section 137 beyond the rightfield wall, "The Dock" presented by Winnebago Industries features seating for up to 12 people in a specially crafted, elevated section inspired by the open bow feel of Chris-Craft and Barletta boats.



TARGET FIELD
Scoreboard 2.0

The Twins' most expansive renovation of their home ballpark since it opened in 2010, the Scoreboard 2.0 project — which debuted with the 2023 Home Opener — further enhances the Target Field fan experience by delivering best-in-class LED technology for the venue's main and auxiliary videoboards and other digital displays, along with a pair of creative, interactive and signature elements: An updated "Minnie & Paul" celebration sign rising above the ballpark in center field, and the club's "TC" mark encased in a revolving, illuminated baseball medallion sitting atop the right field tower ("Twins Tower").

VIDEOBOARDS AND DIGITAL DISPLAYS

Beginning with the 2023 Home Opener, Target Field now features **22 LED displays totaling more than 13.1 million LEDs and more than 23,000 square feet — a 63% increase from 2022, a 113% jump from 2010 and among the most extensive in MLB**.

Main Videoboard: 57' high x 178' wide (10,146 sq. feet)
Resolution: 1,128 lines x 3,552 columns (HDR capable)
76% larger than previous display (7th largest in MLB)
Among select few in MLB to be HDR capable

Auxiliary Board: 28' high by 77' wide (2,156 sq. feet)
Resolution: 828 lines x 2,304 columns
54% larger than previous display

Other Displays: Twins Tower (74' high x 33'6" wide; 2,479 sq. feet); **21% bigger**
Seating bowl ribbons (11 displays at 1,485 linear feet); **21% more**
Bullpen (8'6" high x 96' wide; 816 sq. feet); **54% bigger**
Outfield fence (12' high x 109' wide; 1,308 sq. feet)
Gate 34 entrance (43' high x 17' wide; 731 sq. feet); **NEW in 2023**

MINNIE & PAUL CELEBRATION SIGN

A hallmark of Target Field since the ballpark opened in 2010, the new Minnie & Paul celebration sign imbues nostalgia with technological enhancements.

Design: Taking elements from the Twins' primary logos from the 1961-86 seasons, the historical characters of Ray Barton's original sketch are again depicted shaking hands across the Mississippi River, while "Win! Twins!" completes the scene, which is framed within the Minnesota state outline.

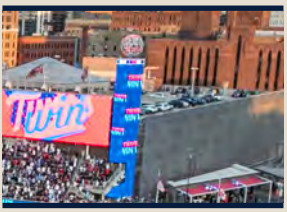
Dimensions: 46' high x 39' wide (same as previous).
17,280 pounds (11,700 pounds of which is the steel frame).

Handshake: Rather than the shifting light display of the prior iteration, Minnie & Paul's handshake is now mechanical with moving arms.

LED Lighting: 1,203 linear feet of controllable, RGBW LED display, with 155 total LEDs. "Win! Twins!" is controlled independently; color scheme is customizable.

REVOLVING BASEBALL MEDALLION AND "TC" LOGO

Sitting atop the "Twins Tower" in right field, the combined effect of the new, luminous baseball medallion and the encased, illuminated "TC" logo creates a brilliant "Beacon to the City" and a focal point for Target Field, downtown Minneapolis and all Twins fans.



Design: The baseball medallion is technically a three-frequency geodesic sphere made up of icosahedron triangles — the higher the frequency, the more triangles there are. The more triangles it has, the stronger and more spherical it becomes; the baseball rotates around an internal "TC" logo.

Dimensions: The baseball medallion is approximately 12' in diameter.
The internal "TC" stands 9' tall.
Total weight is 2,500 pounds (including its steel support).

LED Lighting: The baseball medallion has 60 programmable RGBW LED nodes, spaced equally at hub connections (there are 70 pairs of illuminated stitches).
The "TC" is internally illuminated on both sides.

The $29.5 million project, which also replaced all previous videoboard control room equipment, was funded equally by the Twins and the Minnesota Ballpark Authority's Ballpark Capital Reserve Fund. Video displays were provided by Daktronics (including assembly at the company's Redwood Falls, Minnesota factory), while the Minnie & Paul Celebration Sign and Revolving Baseball Medallion with "TC" logo were designed and built by Dimensional Innovations. The project was executed as a design-build partnership between Mortenson and HGA.

TARGET FIELD® Social Spaces

Since its opening, Target Field has evolved with — and for — Twins fans. Centered on, and enhanced by, the action on the field, an afternoon or evening at the ballpark is ultimately about more than nine innings or your ticketed seat. Twins Baseball is a communal experience, meant to be shared with friends, family and other fans in inclusive and engaging areas. From behind home plate to centerfield, from foul pole to foul pole, across all levels of Target Field and open to any fan with a ticket, the Twins are proud to provide social places for our fans to gather and enjoy the game — together.

DID YOU Know?

...that after a complete high-tech overhaul (completed prior to the 2021 season), Target Field deploys Wi-Fi 6. At nearly three times faster than the previous iteration, and with 670 hot spots throughout the ballpark, Target Field's Wi-Fi energizes a whole new level of digital engagement while enjoying the game.

CREATOR'S CORNER PRESENTED BY U.S. BANK

Using their shared platforms to spotlight and elevate Twins Territory businesses owned by women or Black, Indigenous and People of Color, the Minnesota Twins and U.S. Bank are partnering on a multi-year initiative to bring the "Creator's Corner presented by U.S. Bank" to Target Field. This unique retail space inside Gate 34 – the ballpark's "front porch" – debuted with the 2023 Home Opener and is home to three businesses for the entire season, with a new trio featured each subsequent year; the Twins will collaborate with the companies to feature, promote and sell their products, while making a financial investment in each.

LaMarr Hoyt started for the NL, allowing one unearned run in 3.0 innings pitched, earning the win and the game's MVP Award. Detroit's Jack Morris was the AL starter and suffered the loss. The game lasted two hours and 54 minutes and was played in front of 54,960.

MINNESOTA TWINS IN THE COMMUNITY

For more than 60 years, the Minnesota Twins organization has proudly worked hand-in-hand with community partners to be a catalyst for positive change. From Target Field to communities across Twins Territory, the Minnesota Twins and the Minnesota Twins Community Fund work together to empower youth, foster belonging, and nurture the planet. We believe that we are more than a baseball team—we are building a better tomorrow.

BUILDING A BETTER TOMORROW

We are committed to creating long-lasting impact in the community, not just during our 81 home games, but 365 days a year. Together with our partners, our players, coaches, alumni and employees continue to evolve our region for the better, investing in the next generation and inspiring more equitable, empathetic and connected communities.

EMPOWERING YOUTH

Youth are the heartbeat of our future. By inspiring active minds and active bodies, we are working to create not just the next generation of great athletes, but the next generation of great human beings. Through our Reading Is Powerful and Learning Through Baseball programs, we leverage the power of baseball to engage students, infuse fun into learning, and build excellence. Empowering the full potential of our youth also requires equitable access to opportunities outside the classroom that instill a love of play and enhance overall development and well-being. Through free clinics, Twins Nike RBI leagues, training camps, grants and more, the Twins lead the way with youth baseball and softball programs that teach players the fundamentals of the game as well as essential life skills like teamwork, perseverance, and patience.

FOSTERING BELONGING

The Twins are committed to leveling the playing field and shaping a better tomorrow in which discrimination and inequality have no place. The Club works year-round to build spaces that invite people in, inspire them to share in community, and celebrate them for who they are. Through our innovative TEAM Initiative, we leverage our partnerships and platform to elevate women- and BIPOC-owned businesses, annually directing more than $2 million dollars in total financial support and exposure value to help 20 small businesses gain visibility. Furthering our belief that baseball and softball are for everyone, we work with partners including Deaf Equity, Special Olympics Minnesota, NubAbility, and Courage Kenny Rehabilitation Institute to host adaptive baseball and softball clinics tailored to meet the needs of individual communities so athletes of all abilities can learn the fundamentals of the game in a positive, fun environment. In 2023, we also funded two new Miracle League fields and partnered with six nonprofits across Twins Territory to donate 57 sport wheelchairs to ensure more kids have the equipment and safe spaces they need to play.

NURTURING THE PLANET

Since the first blueprints were drawn for Target Field the Minnesota Twins have taken innovative steps toward preserving our environment, and we have a bold vision to set a new standard for sustainability in the entertainment industry. Target Field continues to be MLB's greenest ballpark, and every fan who comes to a game at Target Field is part of our industry-leading efforts to keep waste out of landfills, use compostable materials, and recycle rainwater. We also work with community partners like The Sanneh Foundation and Players For The Planet to teach kids about composting and inspire them to be champions for the environment. By galvanizing Twins Territory to take action with us, we're shaping a legacy of stewardship, ensuring that our community and our planet flourish for generations to come.

MINNESOTA TWINS COMMUNITY FUND

Founded in 1991 to lead the ballclub's philanthropic efforts, the Minnesota Twins Community Fund has provided more than $23 million through the years to support and empower youth throughout Twins Territory. The Minnesota Twins Community Fund is governed by a board of directors comprising community members, educators, and business leaders from the Upper Midwest. Board members come from a variety of professional backgrounds, but all share a passion for the community and a deep commitment to the Community Fund's mission. 2024 board members are:

TWINS RETIRED NUMBERS

HARMON KILLEBREW 3

One of the greatest home run hitters of all time, Harmon Killebrew will forever be remembered by Twins fans as the 'Killer' for his prolific clouts. A member of the Twins from their inaugural Minnesota season in 1961, Killebrew hit 573 career home runs, 475 of them in his 14 seasons with the Twins, and ranks 12th on the all-time home run list and third (behind Babe Ruth and Alex Rodriguez) in American League history. He hit more than 40 home runs on eight occasions, and 30 or more 10 times, while driving in 100 or more runs nine times.

Killebrew was the American League's Most Valuable Player in 1969 when he hit 49 home runs with an amazing 140 RBI and 145 walks, all team records that still stand. He was elected to the Baseball Hall of Fame in 1984, becoming the first Twin to receive the honor. He had his number 3 formally retired on May 4, 1975, and was selected to the Twins 25th Anniversary Team in 1986 and 40th Season All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and named one of the "50 Greatest Twins" in 2010.

Killebrew passed away on May 17, 2011.

ROD CAREW 29

No Twins fan will ever forget the graceful power of Rod Carew's hitting stroke. Nor will any baseball enthusiast ever forget the summer of 1977, when Carew made his determined run at the untouchable .400 mark, because, just as Killebrew embodied the power of the game, Carew represented its finesse.

He was a career .328 hitter over his 19 major league seasons and was the winner of seven American League batting titles, all during his 12 years with Minnesota. Carew hit .300 or better 15 consecutive seasons and finished his career with 3,053 hits, which places him 28th among the all-time hit leaders and makes him one of only 33 players to collect 3,000 or more career hits.

Carew, who won the American League Most Valuable Player award in 1977, was elected to the Baseball Hall of Fame on the first ballot in 1991. He had his number 29 retired July 19, 1987, and was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

TONY OLIVA 6

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career. His prowess as a hitter was demonstrated by the fact that he led the league in hits five times and his 220 career home runs rank fourth all-time among Twins.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He now works as a Twins hitting instructor at the major league and minor league level and scouts for the club. He had his number 6 retired July 14, 1991, and was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

After decades of waiting for the call, Oliva was elected to the National Baseball Hall of Fame in December 2021 by the Golden Days Era Committee and was formally inducted in Cooperstown, NY on July 24, 2022.

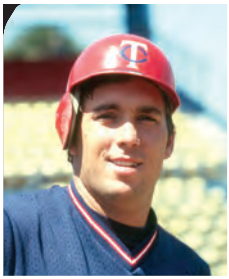
TWINS RETIRED NUMBERS



KENT HRBEK 14

Kent Hrbek grew up in the shadows of Metropolitan Stadium in Bloomington and was destined to become a Minnesota Twin. The big kid had more fun than most and treated Twins fans to much excitement from the day he donned a Twins uniform, homering in his major league debut in the 12th inning at Yankee Stadium to give the Twins a win on August 24, 1981. He finished his career with 293 home runs and 1,086 RBI, both good for second most in club history.

Hrbek, who was runner-up to Cal Ripken Jr. for American League Rookie of the Year in 1982, made his only All-Star appearance that season. He was most appreciated by his teammates and Twins fans for his upper-deck power, agility and for being one of the best ever to play first base. He is among club leaders in nearly every offensive category, but may be best remembered for his Game 6 grand slam in the 1987 World Series, or for his tag of Atlanta's Ron Gant in Game 2 of the 1991 World Series. He had his number 14 formally retired August 13, 1995 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome team in 2009 and was named one of the "50 Greatest Twins" in 2010.

KIRBY PUCKETT 34

Considered by most to be the greatest Twin, 'Puck' was baseball's jewel for 12 incredible seasons. He was a hero from day one, when he became the ninth player in history to collect four hits in his first game on May 8, 1984 at California. The dramatic entrance proved to be just the first of many heroic performances leading up to his shining moment on October 26, 1991, during Game 6 of the World Series against Atlanta. He went 3-for-4, robbed Ron Gant of an extra-base hit, and became the ninth player to end a World Series game with a home run on the final pitch with a drive off Charlie Leibrandt in the 11th inning to force a seventh game.

The 10-time All-Star, six-time Gold Glove Award winner and five-time Silver Slugger Award winner had his career cut short when he awoke with blurred vision caused by glaucoma on March 28, 1996. He was later forced to announce his retirement due to irreversible damage to the retina in his right eye on July 12. He retired as the Twins' all-time leader in hits (2,304), doubles (414), total bases (3,453), at-bats (7,244) and runs (1,071).

Puckett was one of the game's greatest community leaders and was given Major League Baseball's Roberto Clemente Man of the Year Award in 1996. He was elected to the Baseball Hall of Fame on the first ballot in 2001 and became the third-youngest living electee in baseball history (behind Sandy Koufax and Lou Gehrig). He had his number 34 formally retired May 25, 1997 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Puckett passed away on March 6, 2006.

BERT BLYLEVEN 28

After breaking into the big leagues at the age of 19, Blyleven would go on to pitch 11 of his 22 major league seasons with the Twins (1970-76 and 1985-88). His knee-buckling curveball, competitive drive and his knack for being the clubhouse prankster are only a few reasons why Blyleven had a successful career.

Blyleven was named the 1970 American League Rookie Pitcher of the Year and was selected to the American League All-Star Team in 1973 and 1985. He finished his Twins career with a record of 149-138 and a 3.28 ERA. His 2,035 strikeouts are the most in Twins history, while his 149 wins rank second.

The winner of two World Series Championships (1979 with Pittsburgh and 1987 with Minnesota), Blyleven ranks fifth on Major League Baseball's all-time strikeouts list with 3,701.

His number 28 was formally retired July 16, 2011, becoming the first Twins pitcher to have his number retired. Blyleven was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame in 2002, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Blyleven was inducted into the National Baseball Hall of Fame in Cooperstown, NY on July 24, 2011, becoming the first Hall of Famer born in the Netherlands.

TWINS RETIRED NUMBERS

TOM KELLY 10

'TK' took over the managerial duties for the Twins on September 12, 1986. In his first full season (1987) as the skipper, he led the Twins to their first World Series Championship. He led the club to their second World Series victory in 1991, which marked the first time in major league history that a team went from last place one season to World Champions the next.

The 1991 American League Manager of the Year had a managerial record of 1140-1244, which places him first on Minnesota's all-time list in wins and games managed. At the time of his retirement after the 2001 season, Kelly was the longest tenured manager/coach in all of major sports. His number 10 was formally retired September 8, 2012, becoming the first Twins manager to receive the honor. Kelly was selected manager on the Twins 40th Season Anniversary All-Time Team in 2000 and was named one of the "50 Greatest Twins" in 2010.

JOE MAUER 7

The hometown St. Paul kid and first overall pick in the 2001 First-Year Player Draft came out of Cretin-Derham Hall High School to play for the team he watched growing up on the other side of the Mississippi River. Mauer played 15 seasons in a Twins uniform from 2004-18, joining Tony Oliva as the only players in club history to reach that particular feat. During that time, the 2009 American League Most Valuable Player was named to six AL All-Star teams, earned five Louisville Slugger Silver Slugger Awards, three Rawlings Gold Glove Awards and became the only American League catcher to ever win a batting title, doing so three different times in 2006, 2008 and 2009.

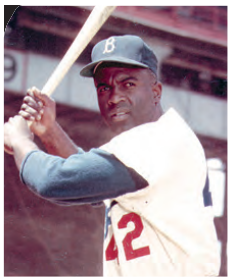
The former catcher turned first baseman ranks first on the Twins all-time list in doubles (428) and times on base (3,087); second in games (1,858), hits (2,123) and walks (939); fifth in RBI (923) and 12th in home runs (143). He was selected to the All-Metrodome team in 2009 and was named one of the "50 Greatest Twins" in 2010. Mauer was a finalist for the Roberto Clemente Award for Outstanding Community service four times in his career, along with countless charitable endeavors from Joe and his family. Mauer's number was formally retired on June 15, 2019. He was inducted into the Twins Hall of Fame during the summer of 2023 and will join the National Baseball Hall of Fame in the summer of 2024 after being voted in on the first ballot in January.

JIM KAAT 36

'Kitty' made his major league debut for the Washington Senators in 1959 and was a crucial part of the franchise's starting rotation when it relocated to the Twin Cities in 1961. He won 10 or more games for the Twins in every season except for 1961, when he won nine, and is the club's all-time leader in wins (189), games started (422) and innings pitched (2959.1), while ranking second in complete games (133), shutouts (23) and strikeouts (1824).

Known for his athleticism and longevity, Kaat's major league career spanned from 1959-83 and he is one of 29 players in AL/NL history (1876-present) to appear in at least four different decades. He won 16 Gold Glove Awards in his career – all consecutively from 1962-77 – and is tied with Brooks Robinson for second most all-time, behind fellow pitcher Greg Maddux (18). Kaat was selected as the left-handed pitcher on the Twins 25th Anniversary Team in 1986 and 40th Anniversary All-Time Team in 2000, inducted into the Twins Hall of Fame in 2001 and named one of the 50 Greatest Twins in 2010.

He was elected to the National Baseball Hall of Fame by the Golden Days Era Committee in December 2021 and was inducted on July 24, 2022, alongside former teammate and fellow Twins legend Tony Oliva. Kaat's number was formally retired by the Twins on July 16, 2022.



JACKIE ROBINSON 42

Jackie Robinson broke baseball's color barrier when Branch Rickey brought him up to the Brooklyn Dodgers in 1947. He brought a dynamic style of play to the game and terrorized the base paths. Robinson also proved to be an excellent hitter and a superb defensive infielder. He was voted the National League MVP in 1949 when he hit a league-leading .342 and drove in 124 runs. He batted .311 in his 10-year career and set several fielding records for second basemen.

In conjunction with the 50th anniversary celebration of Robinson breaking baseball's color barrier, Commissioner Bud Selig announced on April 15, 1997 at Shea Stadium that Major League Baseball would retire his uniform number 42 in perpetuity. The Minnesota Twins officially retired his number on May 23, 1997.

MINNESOTA TWINS HALL OF FAME

The Minnesota Twins Hall of Fame, which honors players, coaches and off-field personnel who have contributed to the organization's growth and success since the Twin Cities broke into the major leagues in 1961, was created as part of the club's 40th Season Celebration in 2000.

The inaugural class of Twins Hall of Famers, inducted on August 12, 2000, included Harmon Killebrew, Rod Carew, Tony Oliva, Kent Hrbek, Kirby Puckett and Calvin Griffith. The 2001 class included Herb Carneal and Jim Kaat while Bert Blyleven and Tom Kelly were inducted in 2002. CARL R. POHLAD

OWNER, 1984-2009

With the franchise facing a possible move out of state, Pohlad purchased the Twins in 1984. He was motivated by a sense of community responsibility and a feeling that major league sports, particularly baseball, are important assets that contribute to the quality of life in the community.

The on-field success of the franchise was largely due to Pohlad's ability to build and manage an exceptional baseball organization with a strong emphasis on player development. HUBERT H. HUMPHREY METRODOME

- Opened April 3, 1982, the Hubert H. Humphrey Metrodome was home to the Twins for 28 years. It was the third domed facility in baseball and remained the only air-supported structure of its kind until its demolition in January of 2014.
- The Metrodome is the only stadium in the world to play host to the World Series (1987 and 1991), Major League Baseball's All-Star Game (1985), the Super Bowl (XXVI, 1992) and the NCAA Final Four Basketball Tournament (1992 and 2001).
- Construction began on December 20, 1979 and was built by the state of Minnesota at a cost of approximately $68 million.
- Field dimensions were 343' down the leftfield line, 385' to the leftfield power alley, 408' to dead centerfield, 367' to the rightfield power alley and 327' down the line in right. The fence from leftfield to centerfield was 7' high (plexiglass was above the left field wall from 1985-94, which made the wall 13' high) and the "baggie" in right field was 23' high, including 16' of plastic tarp installed in 1983.

- **October 2, 2004:** The Twins and Indians were forced to suspend their game after the 11th inning due to a curfew rule in effect for an upcoming University of Minnesota football game.
- **October 2, 2005:** Upon the conclusion of his 50th year of broadcasting baseball, the Twins re-named the baseball pressbox "The Herb Carneal Press Box" in honor of their long-time radio broadcaster. Carneal died on April 1, 2007.

25TH ANNIVERSARY TEAM

In 1986, the Minnesota Twins celebrated 25 years of baseball in Minnesota. As part of that celebration, the Twins held a 25th Anniversary Reunion from July 31 to August 3. The weekend began with a banquet in which the Silver Anniversary Team, voted by fans, was announced. The weekend concluded with an Old Timers game, featuring the 1965 World Series Twins against other former Twins, and a pre-game ceremony honoring the Silver Anniversary Team. Fans were treated to a Camera Night in which they were able to take pictures with their favorite former Twins and received a frameable team poster. Below is the 25th Anniversary Team.

40TH SEASON ANNIVERSARY ALL-TIME TEAM

In 2000, the Minnesota Twins celebrated 40 years of baseball in Minnesota. As part of that celebration, the Twins announced the Twins All-Time Team as part of the ballclub's 40th Season Celebration.

Voting for the Twins All-Time Team was split into three phases to include the fans, Upper Midwest media and former Twins players and coaches. Each group's vote counted one-third toward the final balloting results with the top vote recipients at each position automatically being named to the team. The All-Time Team selection committee reserved the right to name additional players to the final roster based upon overall vote totals.

The All-Time Team took part in an on-field pre-game ceremony on August 12, 2000 and a poster depicting the All-Time Team was given to the first 10,000 fans in attendance, courtesy of the *Star Tribune*.

A total of 93 Twins players and managers were featured on the All-Time Team ballot, which included categories for manager, catcher, first base, second base, third base, shortstop, outfield, right-handed starting pitcher, left-handed starting pitcher, relief pitcher, designated hitter, pinch hitter and utility player.

The Minnesota Twins 40th Season All-Time Team is comprised of 22 members, including 10 members of the club's 25th Anniversary Team: catcher Earl Battey, first baseman Harmon Killebrew, second baseman Rod Carew, shortstop Zoilo Versalles, leftfielder Bob Allison, centerfielder César Tovar, rightfielder Tony Oliva, right-handed pitcher Camilo Pascual, left-handed pitcher Jim Kaat and relief pitcher Al Worthington. TREASURE ISLAND BASEBALL NETWORK

2024 marks the 19th season that the Minnesota Twins control their radio broadcast rights. More than 80 stations in the five-state area carry Twins games and comprise the Treasure Island Baseball Network. In the Minneapolis-St. Paul market, the Twins can be heard on News Talk 830 WCCO, KMNB 102.9 FM The Wolf and streamed on the Audacy app. In 2022, the geo-fence for that live stream was expanded to include the entirety of Twins Territory. The live stream is available for no charge through the Audacy app, website and via smart speakers. Prior to the 2020 season, the Twins and Audacy added a FM simulcast of Twins Baseball on the 100,000 watt 102.9 The Wolf. The move back to 'CCO and Audacy in 2018 marked the return to their original broadcast partner, the Twins home for their first 47 years. The Twins were broadcasted on Go 96.3 for five seasons from 2013-17 and ESPN 1500 for six seasons from 2007-12.

The Twins employ an in-house production team that produces the game broadcasts including pre-game and post-game shows that air on network affiliates. In addition, the network team produces "Inside Twins" that airs Wednesday nights throughout the offseason. During the season, fans across Twins Territory can listen to "Inside Twins" which airs prior to Sunday pregame shows and features Twins President of Baseball Operations Derek Falvey, General Manager Thad Levine, Twins Manager Rocco Baldelli and other front office staff. This show runs all season and gives fans access into the inner workings of Twins baseball as well as a glimpse through the eyes of the Manager.

In 2007 the Twins, in partnership with the Minnesota News Network, assumed control and development of the Twins Radio Network with Treasure Island Resort & Casino, becoming the first-ever naming rights partner for the network in 2010. Historically, the Treasure Island Baseball Network has been one of the largest in all of Major League Baseball with hometown radio partners bringing Twins baseball to fans across five states.

The Twins also broadcast 50 games in Spanish. Alfonso Fernandez begins his 19th season as play-by-play voice, with Hall of Famer Tony Oliva as the analyst. Games in Spanish can be heard via a stream on twinsbeisbol.com simply by signing in with a free MLB account and is also carried on the SAP channel during Bally Sports North's broadcasts.

John Gordon Award — Twins Radio Affiliate of the Year

Named after legendary Twins broadcaster, John Gordon, this honor is awarded annually to the Twins radio affiliate that demonstrates the best of Twins Territory in its commitment to the Minnesota Twins and its community.

MINNESOTA TWINS MEDIA POLICIES

This is an abbreviated version of the Twins' media policies for the 2024 regular season; for the club's full policies, please visit the Twins' club content page on credentials.mlb.com or contact the Twins directly.

CREDENTIALS

Full season credentials will be issued for 2024 regular season games at Target Field to media who will cover approximately 70 percent of Twins home games. BBWAA cards and Gold Cards will be accepted for the 2024 season; cardholders are not required to notify the Twins in advance but are asked to do so. Daily credentials are also available and single-day credential requests must be submitted online through credentials.mlb.com at least 24 hours ahead of the requested date. No other credential requests will be accepted, via email or otherwise. The application deadline for each day will be 5:00 p.m. CT the day before. If media members are approved for a daily credential and cannot attend, please notify the Twins Communications staff as soon as possible. By submitting a request and receiving a media credential for access to Target Field, a media member will be required to observe all MLB and Twins rules. Credentials are not transferable and are subject to terms and conditions. The Twins also reserve the right to designate credential access to media.

MEDIA ENTRY/PARKING

Media will pick up credentials and enter through the Target Field Media Entrance, located off Target Plaza between Gates 29 and 34. The media entrance will open three hours before first pitch for day games and 4.5 hours before first pitch for night games. The Twins do not provide gameday parking for media; media are recommended to park in the various City of Minneapolis parking ramps adjacent to Target Field, namely Ramps A, B and C, and the Hawthorne Ramp.

PRESSBOX ACCESS

The Herb Carneal Pressbox is located on Level 2 at Target Field, near the Thrivent Club. Seating charts will be in effect for select games with high media capacity (including the Home Opener) and media are asked to follow the charts when posted. Every game, priority seating access will be given to affiliates who routinely cover the Twins and/or the opposing team.

MEDIA DINING

The Twins Room, located on the Service Level (-2) near the Press Elevator, will be open for media dining during the 2024 season. It will open one hour prior to gates opening, stay open until game time and cost $13. Cash will not be accepted.

INTERVIEWS

Most interviews may be conducted on the field during batting practice where the manager, players and coaches are usually available, as long as the interview does not interrupt their pre-game routine. Members of the media must stay in foul territory between first and third base. In-depth interviews that require more time with a player should be pre-arranged through the Twins Communications department. Reporters and broadcasters must leave the field, with photographers reporting to their assigned photo positions, no later than one-half hour before game time..

CLUBHOUSE ACCESS

Clubhouse access will be limited to members of the Baseball Writers' Association of America (BBWAA) and to coverage reporters of area daily newspapers, radio and TV stations. The Twins clubhouse will be open to media with clubhouse credentials until one hour prior to each game and then reopen no longer than 10 minutes following each game; pregame clubhouse timings could vary, so please check with a member of the Twins Communications department for precise timings. Still photographers are not allowed in the clubhouse at any time. On the occasion of a team meeting, the clubhouse will be closed until the conclusion of the meeting. Clubhouse access is limited to the player-locker area and the manager's office. The training room, dining room and weight room are off-limits to everyone except the manager, coaches, players and Twins officials. The dugout is off limits during the game for everyone except the manager, coaches, players, trainers and certain Club officials.

GAMEDAY INFORMATION

Printed materials (game notes, rosters, lineup sheets, statpacks, etc.) will be available in both the Twins Communications Office and pressbox on gamedays. These materials will also be electronically disseminated to media when available and can be found on twinspressbox.com.

PHOTOGRAPHERS AND VIDEOGRAPHERS

Due to a limited number of on-field photo spots, the first and third base photo wells are limited to local newspapers, wire services, Twins photographers and whomever is assigned for that particular game. As an alternative, the Twins can provide designated photo positions around the concourse. Photographers assigned to the on-field locations should remain in the photo wells at all times during the game. Photographers in the photo wells should leave or change locations between innings only. Photos are allowed during batting practice, but photographers must remain on the dirt in foul territory, between first and third base. No photographs are to be taken from the baseball pressbox. The Target Field photo workroom is located on the Service Level (-2) down the Media Field Access Tunnel near the Baseball Communications Office.

Prior to joining the Twins, Mauricio spent 10 months working in the Global Events department at Major League Baseball in New York City, serving as team coordinator for Team Cuba in the 2023 World Baseball Classic, and for Team Argentina and Team Spain in the 2022 WBC Qualifiers. Before working at the league office and embarking on his baseball career, he earned his master's degree in sports administration from the University of Miami.

A native of Ciudad Juarez, Mexico, Mauricio makes his home in Minneapolis, MN.

LEE HEALTH SPORTS COMPLEX

The Twins will spend their 34th spring training season in Lee County at the Lee Health Sports Complex in 2024. Spurred by their first year in the state-of-the-art facility, the Twins won the 1991 World Series after enjoying their most successful Spring Training camp in history as they posted a record-high 21 wins. In the 33 years, the Twins have drawn at total of 3,331,268 fans over 491 dates, (total does not include 17 replacement games in 1995 – 49,240 fans).

In the aftermath of Hurricane Ian in 2022, the Twins, in partnership with the Boston Red Sox, gave a financial contribution to five Lee County-based nonprofits to assist with their relief and recovery efforts. The two clubs donated a combined $200,000, with half going to the Collaboratory (formerly the Southwest Florida Community Foundation), and the remaining half distributed equally amongst the Harry Chapin Food Bank of Southwest Florida, Lee Health Foundation's SWFL Stronger Together employee relief fund, Foundation for Lee County Public Schools, Inc. and Community Cooperative's Lee County Strong relief fund. The Twins also hosted first responders for 60 days following the hurricane, which included EMS, National Guard, Public Safety and the World Central Kitchen. The World Central Kitchen made more than 1 million meals and the academy served as the staging area to assist residents in the wake of the disaster.

Located south of the city of Fort Myers near Interstate 75, the Lee Health Sports Complex is the spring training home to the Twins and their six minor league affiliates. The centerpiece of the facility is an 8,730-seat stadium in which the major league Twins play their exhibition games and conduct some of their daily workouts. The complex also features five full practice fields and two half-fields.

On August 3, 2004, the Twins signed an extension with Lee County for use of the complex through 2020, and on November 6, 2012 the Lee County Board of County Commissioners approved a $42.5 million renovation and a new 30-year lease. Also in 2012, the Twins named their infield drills field "Tom Kelly Field" in honor of their former manager. Combined with the Twins contribution, the total for the renovations increased to $48.5 million. The renovations prior to the 2015 season increased the seating capacity to 8,730 and include a new party deck, expanded gift shop and an outfield boardwalk around the playing field to create a 360-degree walk-around the stadium, similar to Target Field. The plan also renovated previously existing concession stands, restrooms, suites and press box areas. The project was designed by Populous out of Kansas City, MO, with designed assistance by Parker Mudgett Smith, based out of Fort Myers, FL, and was constructed by Manhattan Construction.

A signature feature of the renovated facilities is the Twins Player Development Academy which includes a 58-room residence hall for players and staff, dining facilities, recreational spaces, meeting rooms, educational classrooms and Champions Hall, a 220-seat tiered theater used by players and staff for meetings, conferences and presentations throughout the year. The Academy contains state of the art technology, Wi-Fi throughout and high-tech video systems for player instruction for both major league and minor league players.

In addition to the Player Development Academy, the entire minor league building was renovated including expanded clubhouse with new lockers for players and staff, new 1,800 square foot training room, high tech video facilities, expanded office space and a new game field for the minor league teams.

The major league facility, team and player upgrades include new athletic training and strength and conditioning rooms, new lockers for players and staff, dedicated dining room space, state-of-the-art video facilities and complete renovation of all office and meeting rooms. The overall project earned the Twins the Ballpark Digest's Best Major Renovations of 2015.

Continuing the renovations at Hammond Stadium prior to the 2016 season, Lee County and the Twins added a shade structure along the leftfield line of the Boardwalk and a permanent serving area on the 4th floor Sky Deck.

Installed prior to 2017, the old scoreboard was replaced with a new full-feature LED video board. The screen measures 18' x 35' and was installed by Daktronics of Brookings, SD. Additionally, the GCL Twins home playing field was named "Bill Smith Field" in honor of the former Twins General Manager and in 2018 a practice field adjacent to the main stadium was named "Stelly Field" in honor of longtime Twins coach Rick Stelmaszek, who passed away the previous year.

The LCSC is home to two Twins minor league affiliates, housing both the Fort Myers Mighty Mussels of the Low-A Southeast League, West Division and the Rookie Level Florida Complex League Twins.

The main stadium was renamed Bill Hammond Stadium late in the 1994 spring season in honor of the longtime Deputy County Manager who was instrumental in getting the complex approved and bringing the Twins to Lee County.

Major league home and visiting clubhouses are included in the stadium proper, and complete facilities for the minor league teams are contained in a building adjacent to their playing fields. Prior to the start of the 2005 spring training, a 6,000 square foot state-of-the-art fitness training room and conference center was built next to the minor league facility.

The major league club's administrative offices are located in the stadium, with the minor league administrative offices in the building adjacent to its fields.

The facility also features a four-field softball complex and other athletic facilities for use by Lee County organizations and visiting amateur baseball and softball teams, plus an 11-acre water-management lake.

The Twins trained in Orlando, FL, from 1936 through 1990 (with the exception of the war years of 1943, '44 and '45, when they conditioned in College Park, MD) and their minor league clubs moved to Terry Park in Fort Myers in 1990, after headquartering in Melbourne, FL, from 1964-89. The entire organization was united for the first time in Lee County in 1991.

The Sports Complex, an $18.2 million undertaking, was completed in February, 1991. Lescher and Mahoney, an architectural and engineering firm based in Tampa, FL, was the lead architect for the project, with design assistance from Ellerbe Becket of Kansas City, Missouri. Case Contracting Company of Plant City, FL, was the contractor.
